The Class of '68
Attn. Woody
355 S. Ashland Lane
Lake Forest, IL 60045

Dear Woody

On behalf of the Community Park District of La Grange Park I want to thank you for performing at our Music Under the Stars summer concert series. What a great night of weather, audience, and last but not least music.

I'm glad the weather held off and we were able to have the concert at the amphitheater outdoors. Your group had the entire park rockin' with fabulous music from the 60's. I never have seen more people in the crowd singing along to their favorite songs. I heard a lot of great comments about your band and I wanted to let you know everyone had a great time. Please thank all the band members for an outstanding performance. I hope you enjoy the DVD that will be coming to you shortly in the mail.

We all look forward to having The Class of '68 back in La Grange Park in the very near future. Enjoy the rest of your summer season and thanks again for a great concert.

Sincerely

Ron Lorenzo, CPRP
Executive Director
